

June 25, 2016

Greetings Golfers,

As we are preparing for our 16th Annual Drive for Women Golf Scramble, we would like to thank all of our past participants and welcome those of you new to our event. The scramble this year will be held on Monday, August 1, 2016 at the Henderson Country Club.

In order for the Father Bradley Shelter for Women & Children to continue to offer quality services, approximately \$20,000 is needed each month for operations. We encourage you to join us during this year's event, as all proceeds will directly benefit the Shelter.
